FIRE INSPECTION REPORTS

Late last week, house managers received the link to sign up for their House’s Fire Safety Inspection. Fire Inspections are completed twice a year by the City of Atlanta. As of 10/28/15, the following groups still need to register for an inspection time slot:

AΔΦ ΒΘΠ ΠΚΑ
AΦ ΧΦ ΨΥ
ΑΣΦ ΧΨ ΤΚΕ
ΑΤΩ ΛΧΑ

The City of Atlanta has a special partnership with the Fire Safety Office at Georgia Tech, allowing them to be the group to conduct your inspections.

Items on your report that caused your group to fail the inspection need to be corrected before your inspection this semester to ensure compliance. Keep in mind, safety of your residents, members, and guests should be your ultimate priority. Chapters can be penalized with the following for not being in compliance:

- Code of Conduct violations with the Office of Student Integrity
- Citations given by the Fire Marshal at Tech
- Eviction of house residents

For larger items that require financial resources or significant construction, please email the Fire Safety Office immediately to develop a Compliance Plan to avoid the sanctions mentioned above.

For smaller items, you should work with your house residents to address these things immediately so they are corrected by the time of re-inspection. Any remaining issues could be cause for a violation. Helpful resources for preparing for your inspection include:

Many areas of the Greek Sector are owned by the Board of Regents and not by the chapter, although members have been parking in these locations. Starting this permit cycle, students must have a GT Parking Permit to park in these locations. For a map of locations, please visit pts.gatech.edu.

Kitchen Inspections:
Please check to ensure your Kitchen has been inspected and is up to code. Contact Pearl Gordon with the City of Atlanta to have your facility inspected for the coming year. Most kitchens will expire in the fall. 404-730-1310

GREEK SECTOR SAFETY: IFC/CPC AND GTPD TASK FORCE

At the Greek Neighborhood Association meeting in September, a partnership between with IFC/CPC and the Georgia Tech Police Department was announced to assist in the general safety and security of homes in the Greek Sector, as well as social event security.

Halloween Weekend 2015: The Taskforce all agreed that we need to actively manage security for the Greeks this weekend. There are too many outsiders coming on campus and making social events unmanageable. You will see an increase of GTPD officers on bikes challenging people who don’t belong, and helping you with broader security issues if needed. Vehicle traffic might be limited or challenged in the process. GTPD and Greek leadership will work together to keep our Greek community safe.

Noise Complaints and Party Hours: From the IFC Bylaws, “Amplified sound will be dealt with on an individual basis with GTPD. Upon their discretion, sound will either be turned down or turned off immediately.”
- Sunday through Thursday: Parties/Noise are not to begin before 5pm and must end by 10pm.
- Friday and Saturday: Parties must end by 2am on Saturday or Sunday. No noise on Fridays before 5pm.
- From Housing Policies: During exam periods, Quiet Hours are 24/7 until exam period ends.

TRANSITION to a NEW HM

Is your chapter in the process of electing a new house manager? Please let Kylie@gatech.edu know who your new House Manager is so list servs can be updated.

Chapter Presidents should update their contact information on the Greek Affairs website.

House Manager training will take place in early January.
