GNA VIOLATIONS, A YEAR IN REVIEW

This academic year saw the continued establishment, enforcement, and coordination of the Greek Neighborhood Association. In the future, the goal will be to reduce the number of violations and to continue working with house managers and house corporation volunteers to be seen as a resource, supporter and advocate for the Greek Sector.

From June 2014 to May 2015, the biggest improvement in the Greek Sector has been the reduction in GNA policy violations. The policy states that each chapter house must cut their grass, use their dumpster correctly, and have a clean lawn free from trash. The number of trash violations was reduced by 40 incidents, or 50% since the 2013-2014 cycle. The number of dumpster violations was reduced by 45 incidents, or 65% since the 2013-2014 cycle.

Only three chapters needed to be reminded to cut their grass, due to many chapters choosing to hire an external source for lawn maintaince, or have installed turf. More statistics are featured on page 3.

**MOVE-IN & MOVE-OUT PROCEDURES:**

Preparing for August

The number of students who move-in and move-out of Greek housing in August is astounding. In years past, the Greek Sector has generated over 45 tons of trash that was placed in Roll-Off Dumpsters during the week before Recruitment. As we prepare for a busy August in the Greek Sector, please be aware of how move-in and move-out will work in the Greek Sector.

There will be eight roll-off dumpsters placed in the Greek Sector from Thursday, **August 6 through Friday, August 14**. The locations are:
- In front of FIJI
- In the alley behind Alpha Tau Omega (2 placed here)
- In front of Sigma Nu and Phi Delta Theta
- In front of Delta Sigma Phi
- Between Theta Xi and Sigma Chi
- In front of Kappa Alpha
- Between Tau Kappa Epsilon and Phi Sigma Kappa

Remember, there are certain items that can not be placed in the brown dumpster behind your house. **Here is a list of the following items that can only be thrown away in a roll-off dumpster:**
- Furniture
- Carpet
- Mattresses
- Dirt and small quantities of Sand
- Construction Material
- Yard Clippings and Tree Branches

When a dumpster is full, please call or email Kylie (404-894-2002) to have it emptied.

**WRECK LOT REMINDERS**

The Wreck Lot was closed for a brief period of time this summer due to its misuse. **Please remember to always lock the lot when you leave** to prevent others from accessing the dumpster.

Fridges can never be thrown away in the Wreck Lot, and all items must be placed in the dumpster, not left beside it.

Don’t forget - the code is 150.

**DON’T FORGET...**
